## GREETINGS FROM DIRECTOR KRISTEN

It has been great to hear from so many camp families and to catch up on our most recent Zooms. We are beyond excited to run a four week program and to have additional dorm and indoor spaces this upcoming summer. We hope everyone enjoys a safe and relaxing holiday season. As we go into the winter months we encourage campers to stay in touch with their camp family. If campers would like to reach out to a favorite staff member they can do so by sending emails to myself and their message will be passed along.
